Acknowledgment

I feel great pleasure in expressing my deepest sense of gratitude and sincere thanks to my guide **Snehal Kuche** for their valuable guidance during the Project work, without which it would have been a very difficult task. I have no words to express my sincere thanks for the valuable guidance, extreme assistance and cooperation extended to all the **Staff Members** of my Department.

This acknowledgment would be incomplete without expressing my special thanks to **Dr. K.S. Thakre**, Head of the Department (Computer Science) for their support during the work.

I would also like to extend my heartfelt gratitude to my **Principal, Dr. V.N. Gohokar** who provided a lot of valuable support, mostly being behind the veils of college bureaucracy.

Last but not least, I would like to thank all the Teaching, Non- Teaching staff members of my department, my parents, and my colleagues who helped me directly or indirectly in completing this Project successfully.
